Introduction

This LED Club light series products, is a great gift and decoration Idea! These super-cool colorful products are great for parties, night concerts, raves, New Year celebrations, special events, birthday parties, cocktail parties and pool parties, and LED Club light products enhance your indoor / outdoor activities and decorations.

LED Ice Cubes / Diamond / Square are realistically designed by clear Acrylic blocks that resemble frozen ice cubes. What makes the product unique is a battery-operated light inside and the Ice cubes / Diamond / Square that illuminates the Acrylic from the inside out.. Push the button on the bottom to shift modes from blink to steady-on, and it lights up your party tables, platters and punch bowl. Try LED Ice cubes / Diamond / Square in your Halloween Jack O'Lanterns instead of candles. The possibilities are endless!

LED Cola Cup, the ultimate light-up party favor! Imagine holding a luminous cola cup in your hand, where the whole cup, and the beverage inside, spin with many colorful lights! LED cola cup is activated by pushing a button on the bottom of the glass and it flashes Red, Blue, and Yellow. The blinking lights help identify and retrieve your drink in the dark, as well as providing a valuable safety beacon!
