Introduction

This Solar Garden Light is an outdoor light powered by solar energy, and is an environment friendly and weatherproof product.

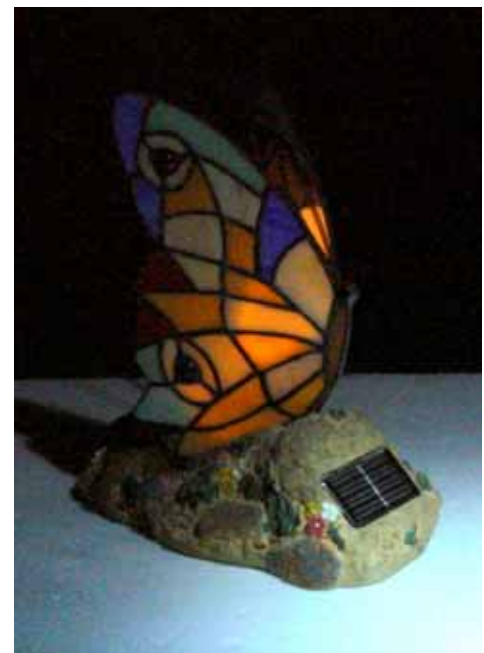

The Garden Lights turn on automatically at dusk and turn off at dawn by auto sensor. It is an easy, elegant way to brighten path, steps, entryway and other outdoor landscape.

The solar panel converts sunlight into electricity to recharge the battery and glows at night automatically. Solar Garden Lights instantly light your yard for security, convenience, and enhance your outdoor activities and decorations.
